Goods in Transit (Carriers) Policy Wording

This policy is issued by Associated Marine Insurers Agents Pty Ltd as agent for the insurer, Zurich Australian Insurance Limited.

1 The cover

1.1 The Insurer will at the request of the insured named in the schedule indemnify the owner of the goods or livestock specified in the schedule against loss of or damage to goods or death of livestock that

1.1.1 arises from an event insured against while in the custody of the insured or the insured's subcontractors and

1.1.2 occurs within the radius of transit and during the period of insurance, each as specified in the schedule,

whether or not the insured is liable.

1.2 The insured may elect not to exercise the right it has regardless of its liability to have the insurer indemnify the owner of the goods or livestock. If this happens the policy coverage in 1.1 will remain in force and the insured can still elect at any time to have the insurer indemnify the owner of the goods for the loss damage or death. The insurer will in addition pay legal costs incurred with the consent of Associated Marine Insurers Agents Pty Ltd.

1.3 If an event insured against occurs in the circumstances described in 1.1.1 and 1.1.2, the insurer will also pay

1.3.1 the cost of removal and disposal of damaged goods or dead livestock (this includes the cost of cleaning the accident site but not any expense or liability of any kind incurred as a result of the actual or potential discharge, emission, spillage or leakage of any liquid or gas pollutant of any kind or nature beyond the road surface and the road verge at the accident site)

1.3.2 the reasonable cost of

1.3.2.1 salvaging and onforwarding goods whether or not they are damaged

4.1 The insurance covers loss damage or deterioration of refrigerated goods arising from a variation in temperature outside of the required temperature range, only if the variation results from

Each claim for mismanagement of refrigerating machinery is subject to deduction of an excess of 10% of the value of the claim.

4.1.2 fire, explosion, lightning or flood

4.1.3 collision, overturning, jackknifing or derailment of the conveyance.

- 9.1 occurs
 - 9.1.1 during storage at the election of or on the instruction of the owner of goods or livestock
 - 9.1.2 if the conveyance carrying the goods or livestock is driven by a person impaired by drugs or alcohol or whose blood alcohol concentration exceeds the legal limit or who refuses an appropriate test unless the insured did not know or could not reasonably have known of the driver's impaired condition.
- 9.2 arises from any of the following
 - 9.2.1 wear and tear, ordinary leakage, ordinary loss in weight or volume or inherent vice of the goods
 - 9.2.2 delay, loss of market or consequential loss of any description
 - 9.2.3 mechanical, electrical or electronic breakdown or malfunction of goods where there is no external evidence that an event insured against has occurred
 - 9.2.4 intentional damage by the insured or the insured's subcontractors

 - 9.2.7 anything nuclear or radioactive, meaning the ionising radiations from or the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter or nuclear waste, weapon, device, fuel, installation, reactor or any component of these. However this exclusion does not apply to radioactive isotopes carried for agricultural, commercial, medical or scientific purposes
 - 9.2.8 any chemical, biological, bio-chemical or electromagnetic weapon

- 9.2.9 terrorism, which means any act which may, or may not, involve the use of, or threat of, force or violence where the purpose of the act is to further a political, religious, ideological or similar aim or to intimidate or influence a government (whether lawfully constituted or not) or any section of the public.

- 9.2.10 fines, penalties or punitive damages.

10 Valuing the goods or livestock

The agreed value of the goods or livestock is their invoice cost or value, plus any costs incidental to the insured transit that are not covered by the invoice. If there is no invoice value, their agreed value is their market value or the cost, at the time of the commencement of the insured transit, of replacing the goods or livestock with similar goods or livestock of the same age and condition. If the owner of insured goods is liable to pay Goods and Services Tax (GST) but is, or will be, entitled to an input tax credit under A New Tax System (Goods and Services Tax) Act 1999, the value of the insured goods is agreed to exclude GST to the extent of the input tax entitlement.

11 Premium and its adjustment

The insured must pay the insurer the deposit premium stated in the schedule.

- 11.1 When the premium is based on estimated gross freight earnings for the period of insurance provided by the insured, the insured must keep accurate records of the equivalent actual gross freight earnings. A statement of these actual gross freight earnings (audited if requested) must be given to Associated Marine Insurers Agents Pty Ltd within one month after the end of the period of insurance.

Associated Marine Insurers Agents Pty Ltd will adjust the premium proportionally at the end of that period on the basis of the insured's actual gross freight earnings.

If the adjusted premium is

11.1.1 higher than the deposit premium stated in the schedule the insured must pay the insurer the difference unless the deposit premium is less than \$25,000 and the variation between estimated and actual figures for the period is less than 10% in which case no difference in premium is payable.

11.1.2 lower than the deposit premium stated in the schedule the insurer must pay the difference to the insured. However, the insurer is entitled to retain a minimum of 75% of the estimated annual premium on which the deposit premium was based.

11.2 When the premium is based on the number of vehicles operated by the insured, the insured must declare the number of vehicles and their registration numbers at the commencement of the policy period. If any vehicle is disposed of, replaced or added during the period of insurance, the insured must advise Associated Marine Insurers Agents Pty Ltd within 14 days. If adjustment to the premium is required following disposal, replacement or addition, this will be calculated proportionally per vehicle to the expiry date. If the adjusted premium is higher than the premium stated in the schedule, the insured must pay the insurer the difference. If it is lower, the insurer must pay the difference to the insured.

12 Notification of material change

The insured must notify Associated Marine Insurers Agents Pty Ltd as soon as possible of any material change in the risk covered by this policy.

13 Reasonable care

The insured must take reasonable care to prevent loss, damage or death covered by this policy.

14 Duties in relation to an event which may give rise to a claim

When an event happens which may give rise to a claim under this policy the following rules apply.

14.1 The insured must do everything reasonable to prevent anything else happening which may give rise to or increase the amount of the claim.

14.2 The insured must do everything reasonable to make sure that any rights against anyone else in respect to the event are maintained.

14.3 If the event involves theft, and theft is an insured event, or an accident has occurred involving a vehicle owned or operated by the insured or its subcontractors and another vehicle, the insured must notify the police as soon as possible and, if Associated Marine Insurers Agents Pty Ltd requires it, obtain a written police report.

14.4 The insured must notify Associated Marine Insurers Agents Pty Ltd immediately of what has happened and send it full details of what has happened, and of any other insurance over the goods or livestock, within 30 days.

14.5 The insured must not authorise any repairs to the goods without the consent of Associated Marine Insurers Agents Pty Ltd.

The insurer will reimburse the insured for charges reasonably incurred to prevent or minimise an insured loss or to protect rights in relation to the event.

15 Settlement of claims

The insurer has the option of settling a claim by payment, repair, reinstatement or replacement.

15.1 In respect of any goods, services or other supply which are the subject of a claim under this policy the insurer will pay the claimant for that GST liability. However

15.1.1 where the insurer makes a payment under this policy for the acquisition of goods, services or other supply the insurer will reduce the amount of the payment by the amount of any input tax credit the claimant is, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 in relation to that acquisition whether or not the acquisition is actually made

15.1.2 where the insurer makes a payment under this policy as compensation for the acquisition of goods, services or other supply the insurer will reduce the amount of the payment by the amount of any input tax credit the claimant would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or supply.

16 Third parties

If anyone else is entitled to make a claim under this policy that person must also comply with its terms.

17 Conduct of claims

The insurer is entitled to

- 17.1 conduct on the insured's behalf any legal proceedings or negotiations relating to claims made against the insured or
- 17.2 authorise the insured to itself defend any legal proceedings brought against it on the understanding that the insurer will be kept fully informed and will be consulted and will participate in decision-making regarding liability or any negotiations with other parties and
- 17.3 exercise any rights the insured may have against anyone else in relation to goods or livestock for which the insurer has paid any amount under this policy.

The insured and anyone else entitled to claim under this policy must cooperate fully with Associated Marine Insurers Agents Pty Ltd in exercising these rights and must give Associated Marine Insurers Agents Pty Ltd any information or assistance it may require.

18 Transfer

The insured may only transfer a right under this policy with the written consent of Associated Marine Insurers Agents Pty Ltd.

19 Cancellation

The insured may cancel this policy at any time by giving Associated Marine Insurers Agents Pty Ltd notice in writing. Associated Marine Insurers Agents Pty Ltd may cancel it for the insurer by giving the insured 30 days notice in writing. However, it may only do so in the circumstances set out in section 60 of the Insurance Contracts Act 1984.

Carriers Cargo Liability – Policy Wording

This policy is issued by Associated Marine Insurers Agents Pty Ltd as agent for the insurer, Zurich Australian Insurance Limited.

1 The cover

- 1.1 The insurer insures the insured named in the schedule against its liability for
 - 1.1.1 loss of or damage to goods or livestock specified in the schedule
 - 1.1.2 delay, loss of market or consequential loss that is caused solely by the loss of or damage to the insured goods or livestock
 - 1.1.3 the cost of removal and disposal of damaged goods or livestock (this includes the cost of cleaning the accident site but not any expense or liability of any kind incurred as a result of the actual or potential discharge, emission, spillage or leakage of any liquid or gas pollutant of any kind or nature beyond the road surface and the road verge at the accident site) up to a limit of \$50,000

that occurs while the insured goods or livestock are in the custody of the insured or the insured's subcontractors, within the radius of transit and during the period of insurance each as specified in the schedule.

- 1.2. In addition the insurer will pay legal costs incurred with the consent of Associated Marine Insurers Agents Pty Ltd.

2 Optional extension to cover

Subcontractors

If specified in the schedule this insurance is extended to cover the liability of the insured's subcontractors carrying on behalf of the insured as if the subcontractor were the insured.

3 Limits on cover

- 3.1 The insurance is limited to the maximum liability stated in the schedule for any one loss or series of losses arising from the same event.
- 3.2 If an excess is specified in the schedule the insured must bear that amount first in respect of a claim under this policy.

4 Exclusions from cover

This insurance does not cover the insured's liability for loss, damage or expense that

- 4.1 occurs
 - 4.1.1 during storage which is at the election of or on the instruction of the owner of the goods or livestock
 - 4.1.2 if the conveyance carrying the goods or livestock is driven by a person impaired by drugs or alcohol or whose blood alcohol concentration exceeds the legal limit or who refuses an appropriate test unless the insured did not know or could not reasonably have known of the driver's impaired condition.
- 4.2 arises from any of the following
 - 4.2.1 intentional damage by the insured or the insured's subcontractors
 - 4.2.2 war or warlike activities which means invasion, act of foreign enemy, hostilities (whether war is declared or not), civil war, rebellion, revolution, insurrection or civil strife following any of these
 - 4.2.3 expropriation which means the lawful seizure, confiscation, nationalisation or requisition of goods or livestock
 - 4.2.4 anything nuclear or radioactive, meaning the ionising radiations from or the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter or nuclear waste, weapon, device, fuel, installation, reactor or any component of these. However this exclusion does not apply to radioactive isotopes carried for agricultural, commercial, medical or scientific purposes
 - 4.2.5 any chemical, biological, bio-chemical or electromagnetic weapon
 - 4.2.6 fines, penalties or punitive damages
 - 4.2.7 terrorism and/or steps taken to prevent, suppress, control or reduce the consequences of any actual, attempted, anticipated, threatened, suspected or perceived terrorism. For the purpose of this clause, "terrorism" means any act(s) of any person(s) or organisation(s) involving:

- 4.2.7.1 the causing, occasioning or threatening of harm of whatever nature and by whatever means;
- 4.2.7.2 putting the public or any section of the public in fear, in circumstances in which it is reasonable to conclude that the purpose(s) of the person(s) or organisation(s) concerned are wholly or partly of a political, religious, ideological or similar nature.

5 Variation to normal conditions of carriage

If the insured inadvertently fails to incorporate into a contract of carriage its standard terms and conditions (which contain an exclusion of its liability for loss of or damage to goods or livestock) as approved by Associated Marine Insurers Agents Pty Ltd, this policy will nevertheless insure the liability of the insured.

However, if the insured intentionally agrees to carry goods or livestock, either as a principal or as a subcontractor, under any different terms and conditions to those included in its standard consignment note as approved by Associated Marine Insurers Agents Pty Ltd, this policy will only insure the liability of the insured as if the goods or livestock were carried subject to the insureds normal conditions of carriage unless Associated Marine Insurers Agents Pty Ltd has agreed to extend the policy to provide insurance subject to such different conditions of carriage.

6 Premium and its adjustment

The insured must pay the insurer the deposit premium stated in the schedule.

- 6.1 When the premium is based on estimated gross freight earnings for the period of insurance provided by the insured, the insured must keep accurate records of the equivalent actual gross freight earnings. A statement of these actual gross freight earnings (audited if requested) must be given to Associated Marine Insurers Agents Pty Ltd within one month after the end of the period of insurance. Associated Marine Insurers Agents Pty Ltd will adjust the premium proportionally at the end of that period on the basis of the insured's actual gross freight earnings.

If the adjusted premium is

- 6.1.1 higher than the deposit premium stated in the schedule the insured must pay the difference unless the deposit premium is less than \$25,000 and the variation between estimated and actual figures for the period is less than 10% in which case no difference in premium is payable
- 6.1.2 lower than the deposit premium stated in the schedule the insurer must pay the difference to the insured. However, the insurer is entitled to retain a minimum of 75% of the estimated annual premium on which the deposit premium was based.
- 6.2 When the premium is based on the number of vehicles operated by the insured, the insured must declare the number of vehicles and their registration numbers at the commencement of the policy period. If any vehicle is disposed of, replaced or added during the period of insurance, the insured must advise Associated Marine Insurers Agents Pty Ltd within 14 days. If adjustment to the premium is required following disposal, replacement or addition, this will be calculated proportionally per vehicle to the expiry date. If the adjusted premium is higher than the premium stated in the schedule, the insured must pay the insurer the difference. If it is lower, the insurer must pay the difference to the insured.

7 Notification of material change

The insured must notify Associated Marine Insurers Agents Pty Ltd as soon as possible of any material change in the risk covered by this policy, including any change to the consignment note or other document of carriage or the method of using these documents.

8 Reasonable care

The insured must take reasonable care to prevent loss or damage covered by this policy.

9 Duties in relation to an event which may give rise to a claim

- 9.2 the insured must do everything reasonable to make sure that any rights against anyone else in respect to the event are maintained
- 9.3 if the event involves theft or an accident has occurred involving a vehicle owned or operated by the insured or its subcontractors and another vehicle, the insured must notify the police as soon as possible and, if Associated Marine Insurers Agents Pty Ltd requires it, obtain a written police report

- 9.5 the insured must notify Associated Marine Insurers Agents Pty Ltd immediately of what has happened and send it full details of what has happened, forwarding any letters or documents giving notice of a claim made on the insured, together with written denial of liability within 30 days
- 9.6 the insured must provide details of any other insurance covering the insured's liability for loss or damage to goods or livestock within 30 days.

10 Settlement of claims

If the insured is liable to pay Goods and Services Tax (GST) in respect of any goods, services or other supply which are the subject of a claim under this policy the insurer will pay the insured for that GST liability. However

- 10.1 where the insurer makes a payment under this policy for the acquisition of goods, services or other supply the insurer will reduce the amount of the payment by the amount of any input tax credit the insured is, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 in relation to that acquisition whether or not the acquisition is actually made.

- 10.2 where the insurer makes a payment under this policy as compensation for the acquisition of goods, services or other supply the insurer will reduce the amount of the payment by the amount of any input tax credit the insured would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or supply.

11 Third parties

If anyone else is entitled to make a claim under this policy that person must also comply with its terms.

- 12.3 exercise any rights the insured may have against anyone else in relation to liability for which the insurer has paid any amount under this policy.

The insured and anyone else entitled to claim under this policy must cooperate fully with Associated Marine Insurers Agents Pty Ltd in exercising these rights and must give Associated Marine Insurers Agents Pty Ltd any information or assistance it may require.

13 Transfer

The insured may only transfer a right under this policy with the written consent of Associated Marine Insurers Agents Pty Ltd.

14 Cancellation

The insured may cancel this policy at any time by giving Associated Marine Insurers Agents Pty Ltd notice in writing. Associated Marine Insurers Agents Pty Ltd may cancel it for the insurer by giving the insured 30 days notice in writing. However, it may only do so in the circumstances set out in section 60 of the Insurance Contracts Act 1984.
